Chiron looked surprised. "I thought that would be obvious enough. The entrance to the Underworld is in Los Angeles." As someone who has worked in Los Angeles. I can tell you that this is completely accurate. While Harry Potter was spending his summers at the Dursleys, Percy Jackson attended Camp Half-Blood. This book has done the impossible:
it has redeemed the name of Percy. Yes, that's right, that snot-faced, lily-livered waste of air of the very same name from the Harry Potter universe. That Chiron looked surprised. "I thought that would be obvious enough. The entrance to the Underworld is in Los Angeles." As someone who has worked in Los Angeles, I can tell you that this is
completely accurate. While Harry Potter was spending his summers at the Dursleys, Percy Jackson attended Camp Half-Blood. This book has done the impossible: it has redeemed the name of Percy. Yes, that's right, that snot-faced, lily-livered waste of air of the very same name from the Harry Potter universe. That name is now relegated to the ranks of
"acceptable," because of my love for this book. Perseus (Percy) Jackson is the kind of kid with whom you can't help sympathizing. He is the type that's born under a dark star, because inevitably, wherever he goes, whatever he does, however good his intentions, he can't help but fuck everything up. Everything that can, does and will go wrong. A simple
field trip can turn into a disaster in seconds. Jay-Z's got 99 problems, Percy might have more. He nearly flunks all his classes, he's got dyslexia, he's got dyslexi
Grover's lap. "Oops." She grinned at me with her crooked teeth. Her freckles were orange, as if somebody had spray-painted her face with liquid Cheetos. Nancy Bobofit is not a major character in the book. I have to mention her because her character resounded with me. I had my own Nancy Bobofit back in grade school, only her name is Mimi. Nearly
2 decades later, the memory of her horrible face still makes me shudder. But I digress. As if the bullies aren't bad enough, his dad is a no-show, his stepfather is LITERALLY named Ugli, and there are crones foretelling Percy's death as well as a minotaur chasing his ass around. AND NOBODY'S TELLING HIM A SINGLE FUCKING THING. What's with
all the secrecy, man? As it turned out, Percy is *whispers* special. He is a half-blood, with roughly 100 other kids like him. It's a freaky place for a kid who's known nothing but relative normalcy his entire life. All of a sudden, he's playing Pinochle with a Greek God (Dionysus-
--what a drunk), his best friend Grover turns out to be a satyr, and the gorgeous blond girl who rescues him thinks he's a doofus and she keeps calling him "seaweed brain." To be fair, Percy had it coming. He is kind of a seaweed brain. "Another time, Athena and Poseidon competed to be the patron god for the city of Athens. Your dad created some
stupid saltwater spring for his gift. My mom created the olive tree. The people saw that her gift was better, so they named the city after her.""They must really like olives.""Oh, forget it.""Now, if she'd invented pizza—that I could understand.""I said, forget it!" Not your best moment, Percy.As it turned out, Percy IS special. His dad is one of the Big
Three gods. Which kind of sucks, because that's not supposed to happen. "About sixty years ago, after World War II, the Big Three agreed they wouldn't sire any more heroes. Their children were just too powerful." A lot of people would think it was pretty cool to have such a powerful dad...not really. Now that I was declared a son of one of the Big
Three gods who weren't supposed to have kids, I figured it was a crime for me just to be alive. Not only does Percy have to struggle to fit in at Camp Half-Blood, but there's some shit going on in Mount Olympus. The gods are fighting again (when are they not)... "During the winter solstice, at the last council of the gods, Zeus and Poseidon had an
argument. The usual nonsense: 'Mother Rhea always liked you best,' 'Air disasters are more spectacular than sea disasters,' et cetera." ...and consequently, like a brother playing a prank on his younger siblings, someone's stuff was stolen. And Zeus thinks that his bro, Poseidon, put Percy up to it. Of course, blame the poor kid. Now Percy is shit out of luck YET AGAIN, and he's got no choice but to go on this huge stupid quest into the underworld (Los Angeles, ha!) to clear his name. He's not alone, he's accompanied by the snarky, gorgeous, fiercely competent Annabeth (she of the seaweed brain name-calling), as well as the most incompetent satyr that ever lived. In his pocket was a set of reed
pipes his daddy goat had carved for him, even though he only knew two songs: Mozart's Piano Concerto no. 12 and Hilary Duff's "So Yesterday," both of which sounded pretty bad on reed pipes. It's going to be a looooooooong trip to the Underworld. The Setting: THIS. THIS IS HOW YOU DO GREEK MYTHOLOGY. I am a Greek mythology buff. I
FUCKING LOVED THIS BOOK. This book is just absolutely fucking perfect in every way when it comes to rewriting and reinterpreting the Greek pantheon. It is so hilariously, awesomely irreverent, but completely fitting. The gods are reimagined, but they stay true to their true nature, and the myths are retold in a cheeky, flippant manner that had me
giggling my ass off. This book is so fantastically snarky to the Greek gods. Everything is incredibly well-explained to a lay audience, like how the Greek gods can't seem to keep it in their pants. Annabeth nodded. "Your father isn't dead, Percy. He's one of the Olympians." "That's...crazy." "Is it? What's the most common thing gods did in the old stories?
They ran around falling in love with humans and having kids with them. Do you think they've changed their habits in the last few millennia?" And apparently, the habit runs true for both male and female goddesses. "What? You assume it has to be a male god who finds a human female attractive? How sexist is that?" The existence of Greek gods and
goddesses themselves are well explained, and believable. "Come now, Percy. What you call 'Western civilization.' Do you think it's just an abstract concept? No, it's a living force. A collective consciousness that has burned bright for thousands of years. The gods are part of it.""Did the West die? The gods simply moved, to Germany, to France, to Spain,
for a while. Wherever the flame was brightest, the gods were there. They spent several centuries in England. All you need to do is look at the architecture. People do not forget the gods." I had my doubts about the execution of the premise of Greek mythology, and all my doubts have been destroyed. his book does great justice to the Greek gods, it is
the most faithful rendition than I have ever read. The Characters: Yes, Percy is a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowflake, but HELL, I LOVED THE LITTLE SHIT. He's got a special snowf
can give up pretty fast. He's kind of a wimp, but you know, finding out that you're a hald-blooded demigod is kind of a big deal, and I understand his attitude of "GET ME THE FUCK OUT OF HERE." I didn't know what else to do. I waved back. "Don't encourage them," Annabeth warned. "Naiads are terrible flirts." "Naiads," I repeated, feeling
completely overwhelmed. "That's it. I want to go home now." He doesn't really want to do anything big. He's pretty stupid sometimes (Auntie Em, geez), he's not exactly heroic. He only does the heroic shit when there are no other options. "All right," I said. "It's better than being turned into a dolphin." I loved Annabeth, she is all I could want from a
female supporting character. I can't say that I'm fond of Grover...but I can't help feeling that we'll be seeing more of him in the future. "But a quest to . . ." Grover swallowed. "I mean, couldn't the master bolt be in some place like Maine? Maine? Maine? Waine? Wai
child again, and this book did just the trick. I found myself giggling throughout the book, and an hour after reading it, there's still a smile on my face that can't be wiped off. ...more New Post Editor OPRAH'S BOOK CLUB PICK • A HARPERS BAZAAR BEST BOOK OF 2022 • A PARADE MOST ANTICIPATED BOOK • A MARIE CLAIRE MOST
ANTICIPATED BOOK"It's clear from the first page that Davis is going to serve a more intimate, unpolished account than is typical of the average (often ghost-written) celebrity memoir; Finding Me reads like Davis is sitting you down for a one-on-one conversation about her life, warts and all."—USA Today"[A] fulfilling narrative of struggle and
success....Her gorgeous storytelling will inspire anyone wishing to shed old labels."—Los Angeles TimesIn my book, you will meet a little girl named Viola who ran from her past until she made a life-changing decision to stop running forever. This is my story, from a crumbling apartment in Central Falls, Rhode Island, to the stage in New York City, and
beyond. This is the path I took to finding my purpose but also my voice in a world that didn't always see me. As I wrote Finding Me, my eyes were open to the truth of how our stories are often not given close examination. We are forced to reinvent them to fit into a crazy, competitive, judgmental world. So I wrote this for anyone running through life
untethered, desperate and clawing their way through murky memories, trying to get to some form of self-love. For anyone who needs reminding that a life worth living can only be born from radical honesty and the courage to shed facades and be . . . you. Finding Me is a deep reflection, a promise, and a love letter of sorts to self. My hope is that my
story will inspire you to light up your own life with creative expression and rediscover who you were before the world put a label on you. "Oh you MUST listen to this one. @PlanetTyrus is out with his new book. Just Tyrus. Can't recommend it enough!" - Dana Perino via Twitter Pro wrestler and political commentator Tyrus goes deep into his wild but
triumphant life story, from his painfully dysfunctional upbringing to bodyguarding for Snoop Dogg, to becoming a wrestling icon and one of the most provocative on-air voices today. "I loved Just Tyrus. I read it in one day and cheered for him when I got to the end. Tyrus has written a book that is at once raw, tender, intelligent, candid, and hilarious
Tyrus took a very rough start to his life and used perseverance, confident humility, and accountability to land firmly on his feet. What a triumph!" —Dana Perino, former White House Press Secretary to George W. Bush and Fox News anchor and hostThe product of a 1970s mixed marriage, George Murdoch learned to fight early in life, fending off both
race-baiting bullies and the demons of a dysfunctional home. Couch surfing all through high school and most of college, the quick-witted, sharp-tongued giant played football, ran drugs, and bounced at clubs to try to survive. After a false start with the WWE, he eventually became Snoop Dogg's bodyguard and traveled the world with the hip hop
legend, biding his time and honing his rap. When the WWE urged him to return, George became "Brodus Clay" and, for the next several years, reinvented himself numerous times under the watchful mentorship of the legendary Dusty Rhodes, "the American Dream." He was eventually christened "Tyrus," and shortly after, a chance social media
encounter with Greg Gutfeld at Fox News resulted in Tyrus finding a new skill: sage social commentator. Ferociously funny, blunt, and tenacious, Just Tyrus traces his unlikely and spectacular rise. As always with Tyrus, it's in-your-face and offers no apologies. "George aka Tyrus aka the realest most blunt human being on the face of planet earth
Never had a problem telling you what was on his mind or how he felt, good or bad. Tough exterior but a heart of gold. Front liner, great friend, and excellent coach for my youth football team. His work ethic is obvious, taking him from football to bodyguard to pro wrestler to a superb personality on Fox News. I've seen him climb the ladder of success
and I'm happy that I was along for the journey." —Snoop DoggIn the third exhilarating novel in this dazzling epic fantasy series, a young outcast will fight against staggering odds to save her world. On the planet Abeth, a narrow Corridor of green land is surrounded on all sides by ice plains where only the strong survive. Ice triber Yaz has completed a
perilous journey and arrived at the Corridor, and it exceeds and overwhelms all of her expectations. Everything seems different but some constants remain: her old enemies are still two steps ahead, bent on her destruction. She makes her way to the Convent of Sweet Mercy, where nuns train young girls who show the old gifts, but like the Corridor
itself the convent is packed with peril and opportunity. Yaz has much to learn from the nuns—if they don't decide to execute her. The fate of everyone squeezed between the Corridor's vast walls, and ultimately the fate of those laboring to survive out on ice itself, hangs from the moon, and the battle to save the moon centers on the Ark of the Missing,
buried beneath the emperor's palace. Everyone wants Yaz to be the key that will open the Ark - the one the wise have sought for generations. But sometimes wanting isn't enough. The Palace Papers: Inside the House of Windsor--the Truth and the TurmoilThe "addictively readable" (The Washington Post) inside story of the British royal family's battle
to overcome the dramas of the Diana years—only to confront new, twenty-first-century crises "Brown is a deft and wily royal chronicler, marshaling a heavy arsenal of details into a wickedly edible narrative."—Los Angeles Times "Never again" became Queen Elizabeth II's mantra shortly after Princess Diana's tragic death. More specifically, there
could never be "another Diana"—a member of the family whose global popularity upstaged, outshone, and posed an existential threat to the British monarchy. Picking up where Tina Brown's masterful The Diana Chronicles left off, The Palace Papers reveals how the royal family reinvented itself after the traumatic years when Diana's blazing celebrity
ripped through the House of Windsor like a comet. Brown takes readers on a tour de force journey through the scandals, love affairs, power plays, and betrayals that have buffeted the monarchy over the last twenty-five years. We see the Queen's stoic resolve after the passing of Princess Margaret, the Queen Mother, and Prince Philip, her partner for
seven decades, and how she triumphs in her Jubilee years even as family troubles rage around her. Brown explores Prince Charles's determination to make Camilla Parker Bowles his wife, the tension between William and Harry on "different paths," the ascendance of Kate Middleton, the downfall of Prince Andrew, and Harry and Meghan's stunning
decision to step back as senior royals. Despite the fragile monarchy's best efforts, "never again" seems fast approaching. Tina Brown has been observing and chronicling the British monarchy for three decades, and her sweeping account is full of powerful revelations, newly reported details, and searing insight gleaned from remarkable access to royal
insiders. Stylish, witty, and erudite, The Palace Papers will irrevocably change how the world perceives and understands the royal family. The Discord of Gods marks the epic conclusion to Jenn Lyons's Chorus of Dragons series, closing out the saga that began with The Ruin of Kings, for fans of Brandon Sanderson and Patrick Rothfuss. THEIR
CONFLICT COULD END THEM ALL.Relos Var's final plans to enslave the universe are on the cusp of fruition. He believes there's only one being in existence that might be able to stop him: the demon Xaltorath. As these two masterminds circle each other, neither is paying attention to the third player on the board, Kihrin. Unfortunately, keeping
himself classified in the 'pawn' category means Kihrin must pretend to be everything the prophecies threatened he'd become: the destroyer of all, the sun eater, a mindless, remorseless plague upon the land. It also means finding an excuse to not destroy the people he loves (or any of the remaining Immortals) without arousing suspicion. Kihrin's goals finding an excuse to not destroy the people he loves (or any of the remaining Immortals) without arousing suspicion. Kihrin's goals finding an excuse to not destroy the people he loves (or any of the remaining Immortals) without arousing suspicion. are complicated by the fact that not all of his 'act' is one. His intentions may be sincere, but he's still being forced to grapple with the aftereffects of the corrupted magic ritual that twisted both him and the dragons. Worse, he's now tied to a body that is the literal avatar of a star — a form that is becoming increasingly, catastrophically unstable. All of
which means he's running out of time. After all, some stars fade — but others explode. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. From the #1 internationally bestselling author of the Cartel Trilogy (The Power of the Dog, The Cartel, and The Border), The Force, and Broken comes the
first novel in an epic new trilogy. "Superb. City on Fire is exhilarating." - Stephen King Epic, ambitious, majestic, City on Fire is The Godfather for our generation." - Adrian McKinty, New York Times bestselling author of The ChainTwo criminal empires together control all of New England. Until a beautiful woman comes between the Irish and the
Italians, launching a war that will see them kill each other, destroy an alliance, and set a city on fire. Danny Ryan yearns for a more "legit" life and a place in the sun. But as the bloody conflict stacks body on body and brother turns against brother, Danny has to rise above himself. To save the friends he loves like family and the family he has sworn to
protect, he becomes a leader, a ruthless strategist, and a master of a treacherous game in which the winners live and the losers die. From the gritty streets of Providence to the glittering screens of Hollywood to the golden casinos of Las Vegas, two rival crime families ignite a war that will leave only one standing. The winner will forge a
dynasty. Exploring the classic themes of loyalty, betrayal, and honor, City on Fire is a contemporary masterpiece in the tradition of The Godfather, Casino, and Goodfellas—a thrilling saga from Don Winslow, "America's greatest living crime writer" (Jon Land, Providence Journal). The New York Times bestselling author of Next Level Basic and fan-
favorite alumna of Bravo's Vanderpump Rules returns with the definitive Basic Bitch handbook for surviving your rock-bottom moments. The year 2020 was going to be the best year of Stassi's life. Besides getting engaged and feeling like she was on top of the world career-wise, she bought her first house and was planning her dream Italian wedding
The future showed so much freaking promise—until it all went to hell. Stassi may not be perfect—she may have made some (major) mistakes—but she does feel like she has some insight (and plenty of hilarious tales) about getting knocked up, called out, and learning from what went wrong. Through stories, confessions, illustrations, and plenty of self-
reflection and self-deprecation, this new book goes behind the scenes and addresses the experience of getting cancelled, getting that positive pregnancy test, and saying "I do" in the backyard instead of in Italy. Stassi won't hold back about her transformation from proud basic bitch to... proud basic bitch who has a deeper appreciation for what's
really important in life: love, relationships, mutual respect, and, okay fine, an Aperol spritz and some showtunes when you need them most. Stassi hopes her story will help others see the light at the end of the tunnel in their own lives and make them laugh along the way. She writes about the importance of having a good cry (at work, in the shower, in
your closet), ways to navigate social media responsibly (sometimes that means logging the eff off when crowds are chanting, "OFF WITH HER HEAD"), how to practice self-care when wine is not an option, and how not to become a Bridezilla—plus she'll offer tips on marrying your f*ckboy, embracing pregnancy sweats (both cashmere sweats and
night sweats), and styling baby OOTDs. So roll up your bedazzled sleeves...or the sleeves of the tattered robe you've been wearing nonstop because you're at rock bottom; grab a cocktail; and let your favorite (more evolved) basic bitch take you on a wild ride inside the bumpiest year of her life. From Hugo, Nebula, and Locus award-winning author T.
Kingfisher comes an original and subversive fantasy adventure.*A very special hardcover edition, featuring gold foil stamp on the casing and custom endpapers illustrated by the author.*This isn't the kind of fairytale where the princess marries a prince.It's the one where she kills him.Marra never wanted to be a hero. As the shy, convent-raised, third-
born daughter, she escaped the traditional fate of princesses, to be married away for the sake of an uncaring throne. But her sister wasn't so fortunate—and after years of silence, Marra is offered the tools she needs, but only if she
can complete three seemingly impossible tasks:—build a dog of bones—sew a cloak of nettles—capture moonlight in a jarBut, as is the way in tales of princes and witches, doing the impossible is only the beginning. Hero or not—now joined by a disgraced ex-knight, a reluctant fairy godmother, an enigmatic gravewitch and her fowl familiar—Marra
might finally have the courage to save her sister, and topple a throne. "Nettle & Bone is the kind of book that immediately feels like an old friend. Fairytale mythic resonance meets homey pragmatism in this utterly delightful story. It's creepy, funny, heartfelt, and full of fantastic characters I absolutely loved!" —Melissa Caruso, author of The Tethered

both parties as the country approaches a political breaking point. This is the authoritative account of an eighteen-month crisis in American democracy that will be seared into the country's political memory for decades to come. With stunning, in-the-room detail, New York Times reporters Jonathan Martin and Alexander Burns show how both our
political parties confronted a series of national traumas, including the coronavirus pandemic, the January 6 attack on the Capitol, and the political brinksmanship of President Biden's first year in the White House. From Donald Trump's assault on the 2020 election and his ongoing campaign of vengeance against his fellow Republicans, to the behind
the-scenes story of Biden's selection of Kamala Harris as his running mate and his bitter struggles to unite the Democratic Party, this book exposes the degree to which the two-party system has been strained to the point of disintegration. More than at any time in recent history, the long-established traditions and institutions of American politics are
under siege as a set of aging political leaders struggle to hold together a changing country. Martin and Burns break news on most every page, drawing on hundreds of interviews and never-before-seen documents and recordings from the highest levels of government. The book asks the vitally important (and disturbing) question: can American
democracy, as we know it, ever work again? The Christie Affair: A NovelWhy would the world's most famous mystery writer disappear for eleven days? she'll need corpses to study. Lucky that she's made the acquaintance of someone who digs them up for a living. But Jack has his own problems: strange men have been seen skulking around cemeteries, his friends are disappearing off the streets, and the dreaded Roman Fever, which wiped out thousands a few years ago, is back with a vengeance.
Nobody important cares—until Hazel. Now, Hazel and Jack must work together to uncover the secrets buried not just in unmarked graves, but in the very heart of Edinburgh society. REESE'S BOOK CLUB PICK A thrilling roller-coaster ride about a heist gone terribly wrong, with a plucky protagonist who will win readers' hearts. What if you had the
winning ticket that would change your life forever, but you couldn't cash it in? Lucky Armstrong is a tough, talented grifter who has just pulled off a million-dollar heist with her boyfriend, Cary. She's ready to start a brand-new life, with a new identity—when things go sideways. Lucky finds herself alone for the first time, navigating the world without
the help of either her father or her boyfriend, the two figures from whom she's learned the art of the scam. When she discovers that a lottery ticket means she'll be arrested for her crimes. She'll go to prison, with no chance to redeem her
fortune. As Lucky tries to avoid capture and make a future for herself, she must confront her past by reconciling with her father; finding her mother, who abandoned her when she was just a baby; and coming to terms with the man she thought she loved—whose dark past is catching up with her, too. This is a novel about truth, personal redemption
and the complexity of being good. It introduces a singularly gifted, multilayered character who must learn what it means to be independent and honest...before her luck runs out. The Island of Missing Trees: A NovelA REESE'S BOOK CLUB PICKShortlisted for the Women's Prize for Fiction "A wise novel of love and grief, roots and branches,
displacement and home, faith and belief. Balm for our bruised times." -David Mitchell, author of Utopia AvenueA rich, magical new novel on belonging and identity, love and trauma, nature and renewal, from the Booker-shortlisted author of 10 Minutes 38 Seconds in This Strange World. Two teenagers, a Greek Cypriot and a Turkish Cypriot, meet at
taverna on the island they both call home. In the taverna, hidden beneath garlands of garlic, chili peppers and creeping honeysuckle, Kostas and Defne grow in their forbidden love for each other. A fig tree stretches through a cavity in the roof, and this tree bears witness to their hushed, happy meetings and eventually, to their silent, surreptitious
This tree is her only connection to an island she has never visited--- her only connection to her family's troubled history and her complex identity as she seeks to untangle years of secrets to find her place in the world. A moving, beautifully written, and delicately constructed story of love, division, transcendence, history, and eco-consciousness, The
Island of Missing Trees is Elif Shafak's best work yet. Within These Wicked Walls: A Novel "An intricate magic system, a grimly humorous Black heroine, AND a heart-thumping romance? This book leaves nothing wanting." - Jordan Ifueko, New York Times bestselling author of RaybearerAndromeda is a debtera—an exorcist hired to cleanse households.
of the Evil Eye. She would be hired, that is, if her mentor hadn't thrown her out before she could earn her license. Now her only hope of steady work is to find a Patron—a rich, well-connected individual who will vouch for her abilities. When a handsome young heir named Magnus Rorschach reaches out to hire her, she takes the job without question.
Never mind that he's rude and demanding and eccentric, that the contract comes with a number of outlandish rules... and that almost a dozen debtera had quit before her. If Andromeda wants to earn a living, she has no choice. But she quickly realizes this is a job like no other, with horrifying manifestations at every turn, and that Magnus is hiding far
more than she has been trained for. Death is the most likely outcome if she stays, the reason every debtera before her quit. But leaving Magnus to live out his curse alone isn't an option because—heaven help her—she's fallen for him. Stunningly romantic, Lauren Blackwood's heartstopping debut, Within These Wicked Walls, ushers in an exciting new
prejudice, and individual sense of self. Chibundu Onuzo has written a captivating story about a mixed-race British woman who goes in search of the West African father she never knew . . . [A] beautiful book about a woman brave enough to discover her true identity." —Reese Witherspoon"Onuzo's sneakily breezy, highly entertaining novel leaves the
reader rethinking familiar narratives of colonization, inheritance and liberation."—The New York Times Book ReviewNamed a Best Book of the Month by Goodreads, PopSugar, PureWow, LitHub, Minneapolis Star-Tribune, and BuzzfeedA woman
her husband, her daughter is all grown up, and her mother—the only parent who raised her—is dead. Searching through her mother's belongings one day, Anna finds clues about the African father she never knew. His student diaries chronicle his involvement in radical politics in 1970s London. Anna discovers that he eventually became the president
—some would say dictator—of a small nation in West Africa. And he is still alive... When Anna decides to track her father down, a journey begins that is disarmingly moving, funny, and fascinating. Like the metaphorical bird that gives the novel its name, Sankofa expresses the importance of reaching back to knowledge gained in the past and bringing
it into the present to address universal questions of race and belonging, the overseas experience for the African diaspora, and the search for a family's hidden roots. Examining freedom, prejudice, and personal and public inheritance, Sankofa is a story for anyone who has ever gone looking for a clear identity or home, and found something more
complex in its place.NEW YORK TIMES BESTSELLER * REESE'S BOOK CLUB PICK"There's a 100% chance you'll be paging through this book to uncover the secrets and deception that could potentially burn everything down!" — Reese Witherspoon"This is by far one of the most endearing L.A. novels in recent memory."— Publishers Weekly (Starred
Review) "A capacious book, chock-full of human drama... Escandón's narrative voice is often witty and warm, and her meditations on Los Angeles are lush and lyrical... A lively and ambitious family novel." — New York Times Book ReviewStorm clouds are on the horizon in L.A. Weather, a fun, fast-paced novel of a Mexican-American family from the
author of the #1 Los Angeles Times bestseller Esperanza's Box of SaintsL.A. is parched, dry as a bone, and all Oscar, the weather-obsessed patriarch of the Alvarado family, desperate for a life with a little more intimacy and a little
less Weather Channel, feels she has no choice but to end their marriage. Their three daughters—Claudia, a television chef with a hard-hearted attitude; Olivia, a successful architect who suffers from gentrification guilt; and Patricia, a social media wizard who has an uncanny knack for connecting with audiences but not with her lovers—are blindsided
and left questioning everything they know. Each will have to take a critical look at her own relationships and make some tough decisions along the way. With quick wit and humor, Maria Amparo Escandón follows the Alvarado family as they wrestle with impending everything they know. Each will have to take a critical look at her own relationships and make some tough decisions along the way. With quick wit and humor, Maria Amparo Escandón follows the Alvarado family as they wrestle with impending everything they know. Each will have to take a critical look at her own relationships and their toughest decision yet: whether
to stick together or burn it all down. WitherspoonA backpacking trip has deadly consequences in this "eerie psychological thriller . . . with alluring locales, Hitchcockian tension, and possibly the best pair of female leads since Thelma and Louise" (BookPage), from the bestselling author of The Lost Night and The Herd. A Marie Claire Book Club Pick • Named One of the Best Books of the
Year by NPR and Marie Claire Emily is having the time of her life—she's in the mountains of Chile with her best friend, Kristen, on their annual reunion trip, and the women are feeling closer than ever. But on the last night of the trip, Emily enters their hotel suite to find blood and broken glass on the floor. Kristen says the cute backpacker she
brought back to their room attacked her, and she had no choice but to kill him in self-defense. Even more shocking: The scene is horrifyingly similar to last year's trip, when another backpacker wound up dead. Emily can't believe it's happened again—can lightning really strike twice? Back home in Wisconsin, Emily struggles to bury her trauma, diving
headfirst into a new relationship and throwing herself into work. But when Kristen shows up for a surprise visit, Emily is forced to confront their violent past. The more Emily questions her motives. As Emily feels the walls closing in on their cover-ups, she must reckon with the truth about her closest friend.
family. By day, seventeen-year-old Jo Kuan works as a lady's maid for the genteel Southern lady, "Dear Miss Sweetie." When her column becomes wildly popular, she uses the power of the pen to address
some of society's ills, but she's not prepared for the backlash that follows when her column challenges fixed ideas about race and gender. While her opponents clamor to uncover the secret identity of Miss Sweetie, a mysterious letter sets Jo off on a search for her own past and the parents who abandoned her as a baby. But when her efforts put her in
the crosshairs of Atlanta's most notorious criminal, Jo must decide whether she, a girl used to living in the shadows, is ready to step into the light. With prose that is witty, insightful, and at times heartbreaking, Stacey Lee masterfully crafts an extraordinary social drama set in the New South. "This vividly rendered historic novel will keep readers
riveted as witty, observant Jo deals with the dangers of questioning power." --The Washington Post"Holds a mirror to our present issues while giving us a detailed and vibrant picture of life in the past." --The New York Times"A joyful read . . . The Downstairs Girl, for all its serious and timely content, is a jolly good time." --NPRNOW A MAJOR MOTION
PICTURE directed by Denis Villeneuve, starring Timothée Chalamet, Zendaya, Jason Momoa, Rebecca Ferguson, Oscar Isaac, Josh Brolin, Stellan Skarsgård, Dave Bautista, David Dastmalchian, Stephen McKinley Henderson, Chang Chen, Sharon Duncan-Brewster, Charlotte Rampling, and Javier Bardem. crewmates dead, his memories fuzzily returning, Ryland realizes that an impossible task now confronts him. Hurtling through space on this tiny ship, it's up to him to puzzle out an impossible scientific mystery—and conquer an extinction-level threat to our species. And with the clock ticking down and the nearest human being light-years away, he's got
to do it all alone. Or does he? An irresistible interstellar adventure as only Andy Weir could deliver, Project Hail Mary is a tale of discovery, speculation, and survival to rival The Martian—while taking us to places it never dreamed of going. #1 New York Times BestsellerOver 10 million copies sold In this generation-defining self-help quide, a superstar
blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet
blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson
makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemonade
give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor,
The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives. Atomic Habits: An Easy & Proven Way to Build Good Habits & Break Bad OnesThe #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable ResultsNo matter your goals, Atomic Habits offers a proven
framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your
system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into
simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold
easier; • get back on track when you fall off course;...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who
wishes to quit smoking, lose weight, reduce stress, or achieve any other goal. Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of The Laws of Human Nature. In the book
laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color
terrifying creature arrives to demand retribution. Dragged to a treacherous magical land she knows about only from legends, Feyre discovers that her captor is not a beast all the time. As she adapts to her new home, her feelings for the faerie, Tamlin
transform from icy hostility into a fiery passion that burns through every lie she's been told about the beautiful, dangerous world of the Fae. But something is not right in the faerie lands. An ancient, wicked shadow is growing, and Feyre must find a way to stop it, or doom Tamlin-and his world-forever. From bestselling author Sarah J. Maas comes a
seductive, breathtaking book that blends romance, adventure, and faerie lore into an unforgettable read. Can't Hurt Me: Master Your Mind and Defy the OddsNew York Times BestsellerOver 2.5 million copies soldFor David Goggins, childhood was a nightmare -- poverty, prejudice, and physical abuse colored his days and haunted his nights. But
through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went
on to set records in numerous endurance events, inspiring Outside magazine to name him "The Fittest (Real) Man in America." In Can't Hurt Me, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain,
 written) celebrity memoir; Finding Me reads like Davis is sitting you down for a one-on-one conversation about her life, warts and all."—USA Today"[A] fulfilling narrative of struggle and success....Her gorgeous storytelling will inspire anyone wishing to shed old labels."—Los Angeles TimesIn my book, you will meet a little girl named Viola who ran
from her past until she made a life-changing decision to stop running forever. This is my story, from a crumbling apartment in Central Falls, Rhode Island, to the stage in New York City, and beyond. This is the path I took to finding my purpose but also my voice in a world that didn't always see me. As I wrote Finding Me, my eyes were open to the truth
of how our stories are often not given close examination. We are forced to reinvent them to fit into a crazy, competitive, judgmental world. So I wrote this for anyone running through life untethered, desperate and clawing that a life worth
living can only be born from radical honesty and the courage to shed facades and be . . . you. Finding Me is a deep reflection, a promise, and a love letter of sorts to self. My hope is that my story will inspire you to light up your own life with creative expression and rediscover who you were before the world put a label on you. Atomic Habits: An Easy &

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against
ultimate control - from the author of The Laws of Human Nature. In the book that People magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also
from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing
in common: an interest in total domination. In a bold and arresting two-color package, The 48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game. 12 Rules for Life: An Antidote to Chaos#1 NATIONAL BESTSELLERWhat does everyone in the modern
world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what
terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest
of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. 12 Rules for Life shatters the modern commonplaces of science, faith and human
nature, while transforming and ennobling the mind and spirit of its readers. The New York Times bestselling author of Next Level Basic and fan-favorite alumna of Bravo's Vanderpump Rules returns with the definitive Basic Bitch handbook for surviving your rock-bottom moments. The year 2020 was going to be the best year of Stassi's life. Besides
getting engaged and feeling like she was on top of the world career-wise, she bought her first house and was planning her dream Italian wedding. The future showed so much freaking promise—until it all went to hell. Stassi may not be perfect—she may have made some (major) mistakes—but she does feel like she has some insight (and plenty of
hilarious tales) about getting knocked up, called out, and learning from what went wrong. Through stories, confessions, illustrations, and plenty of self-reflection and self-deprecation, this new book goes behind the scenes and addresses the experience of getting knocked up, called out, and learning from what went wrong. Through stories, confessions, illustrations, and plenty of self-reflection and self-deprecation, this new book goes behind the scenes and addresses the experience of getting knocked up, called out, and learning from what went wrong. Through stories is not addresses the experience of getting knocked up, called out, and learning from what went wrong. Through stories is not addresses the experience of getting knocked up, called out, and learning from what went wrong.
of in Italy. Stassi won't hold back about her transformation from proud basic bitch who has a deeper appreciation for what's really important in life: love, relationships, mutual respect, and, okay fine, an Aperol spritz and some showtunes when you need them most. Stassi hopes her story will help others see the light at the end of
the tunnel in their own lives and make them laugh along the way. She writes about the importance of having a good cry (at work, in the shower, in your closet), ways to navigate social media responsibly (sometimes that means logging the eff off when crowds are chanting, "OFF WITH HER HEAD"), how to practice self-care when wine is not an option,
and how not to become a Bridezilla—plus she'll offer tips on marrying your f*ckboy, embracing pregnancy sweats (both cashmere sweats and night sweats), and styling baby OOTDs. So roll up your bedazzled sleeves...or the sleeves of the tattered robe you've been wearing nonstop because you're at rock bottom; grab a cocktail; and let your favorite
(more evolved) basic bitch take you on a wild ride inside the bumpiest year of her life. This revolutionary approach to cleaning and organizing helps free you from feeling ashamed or overwhelmed by a messy home. If you're struggling to stay on top of your to-do list, you probably have a good reason: anxiety, fatigue, depression, ADHD, or lack of
support. For therapist KC Davis, the birth of her second child triggered a stress-mess cycle. The more behind she felt, the less motivated she was to start. She didn't fold a single piece of laundry for seven months. One life-changing realization restored her sanity—and the functionality of her home: You don't work for your home; your home works for
you. In other words, messiness is not a moral failing. A new sense of calm washed over her as she let go of the shame-based messaging that interpreted a pile of dirty laundry as "I can never keep up" and a chaotic kitchen as "I'm a bad mother." Instead, she looked at unwashed clothes and thought, "I am alive," and at stacks of dishes and thought, "I
cooked my family dinner three nights in a row." Building on this foundation of self-compassion, KC devised the powerful practical approach that has exploded in popularity through her TikTok account, @domesticblisters. The secret is to simplify your to-do list and to find creative workarounds that accommodate your limited time and energy. In this
book, you'll learn exactly how to customize your cleaning strategy and rebuild your relationship with your home, including: -How to see chores as kindnesses to your worth -How to start by setting priorities -Ho
routine -How to use creative shortcuts to transform a room from messy to functional With KC's help, your home will feel like a sanctuary again. It will become a place to rest, even when things aren't finished. You will move with ease, and peace and calm will edge out guilt, self-criticism, and endless checklists. They have no place here. Set Boundaries,
Find Peace: A Guide to Reclaiming YourselfThe instant New York Times bestsellerEnd the struggle, speak up for what you need, and experience the freedom of being truly yourself. Healthy boundaries. We all know we should have them--in order to achieve work/life balance, cope with toxic people, and enjoy rewarding relationships with partners,
friends, and family, But what do "healthy boundaries" really mean--and how can we successfully express our needs, say "no," and be assertive without offending others? Licensed counselor, sought-after relationship expert, and one of the most influential therapists on Instagram Nedra Glover Tawwab demystifies this complex topic for today's world. In
a relatable and inclusive tone, Set Boundaries, Find Peace presents simple-yet-powerful ways to establish healthy boundaries in all aspects of life. Rooted in the latest research and best practices used in cognitive behavioral therapy (CBT), these techniques help us identify and express our needs clearly and without apology--and unravel a root problem
behind codependency, power struggles, anxiety, depression, burnout, and more. The Lost Metal: A Mistborn World of Scadrial as its second era, which began with The Alloy of Law, comes to its earth-shattering conclusion in The Lost Metal. For years, frontier lawman turned
big-city senator Waxillium Ladrian has hunted the shadowy organization the Set—with his late uncle and his sister among their leaders—since they started kidnapping people with the power of Allomancy in their bloodlines. When Detective Marasi Colms and her partner Wayne find stockpiled weapons bound for the Outer City of Bilming, this opens a
new lead. Conflict between Elendel and the Outer Cities only favors the Set, and their tendrils now reach to the Elendel Senate—whose corruption Wax and Steris have sought to expose—and Bilming is even more entangled. After Wax discovers a new type of explosive that can unleash unprecedented destruction and realizes that the Set must already
have it, an immortal kandra serving Scadrial's god, Harmony, reveals that Bilming has fallen under the influence of another god: Trell, worshipped by the Set. And Trell isn't the only factor at play from the larger Cosmere—Marasi is recruited by offworlders with strange abilities who claim their goal is to protect Scadrial...at any cost. Wax must choose
whether to set aside his rocky relationship with God and once again become the Sword that Harmony has groomed him to be. If no one steps forward to be the hero Scadrial needs, the planet and its millions of people will come to a sudden and calamitous ruin. Digital Rights Management Software (DRM) applied. Adrian Davis thought getting on a real-life, 'beam me up, Scotty', transport pad was adventure enough. Visiting her mother—and the Atlan beast her mom had chosen as a mate—on another planet? Setting foot in an Atlan prison? Completely crazy. Like totally, bat-shit, what-the-hell-was-she-doing-
with-her-life crazy. She was supposed to spend a few days wandering around with her twin sister, seeing the sights, expanding her horizons. The trip was supposed to be a much needed break from the hectic schedule she was keeping in school. She was only nineteen. She had plans. Finish college. Medical school. Husband. House. Two-point-five
perfect kids and a golden retriever named Buddy. All that changed with one roar of pain. She heard him. A beast. He was out of control, locked behind an impenetrable wall, alone. Suffering the agony of mating fever. Ready to die. Forsaken. Adrian can't let him go. She will have to fight a centuries old system, warlords on another world, and the beast
himself to get what she wants. To save him. To keep him for herself. I'd Like to Play Alone, Please: Essays From Tom Segura, the massively successful stand-up comedian and co-host of chart-topping podcasts "2 Bears 1 Cave" and "Your Mom's House," hilarious real-life stories of parenting, celebrity encounters, youthful mistakes, misanthropy, and so
much more. Tom Segura is known for his twisted takes and irreverent comedic voice. But after a few years of crazy tours and churning out podcasts weekly, all while parenting two young children, he desperately needs a second to himself. It's not that he hates his friends and family — he's not a monster — he's just beat, which is why his son's
(ruthless) first full sentence, "I'd like to play alone, please," has since become his mantra. In this collection of stories, Tom combines his signature curmudgeonly humor with a revealing look at some of the ridiculous situations that shaped him and the ludicrous characters who always seem to seek him out. The stories feature hilarious anecdotes about
```

Tom's time on the road, including some surreal encounters with celebrities at airports; his unfiltered South American family; the trials and tribulations of parenting young children with bizarrely morbid interests; and, perhaps most memorably, experiences with his dad who, like any good Baby Boomer father, loves to talk about his bowel movements and share graphic Vietnam stories at inappropriate moments. All of this is enough to make anyone want some peace and quiet. I'D LIKE TO PLAY ALONE, PLEASE will have readers laughing out loud and nodding in agreement with Segura's message: in a world where everyone is increasingly insane, sometimes you just need to be alone.

An Eve Dallas NovelThe #1 New York Times bestselling author presents a gripping new thriller that pits homicide detective Eve Dallas against a conspiracy of exploitation and evilNew York, 2061: The place called the Pleasure Academy is a living nightmare where abducted girls are trapped, trained for a life of a slowly but surely destroyed. Dorian, a thirteen-year-old runaway who'd been imprisoned there, might never have made it out if not for her fellow immate Mina, who'd hatched the escape plan. Mina was the more daring of the two—but they'd been equally desperate. Unfortunately, they didn't get away fast enough. and wandering the streets of New York, and Mina lies dead near the waterfront while Lt. Eve Dallas looks over the scene. Mina's expensive, elegant clothes and beauty products convince Dallas that she was being groomed, literally and figuratively, for sex trafficking—and that whoever is investing in this high-overhorofits. Her billionaire husband, Roarke, may be able to help, considering his ties to the city's ultra-rich. But Roarke is also worried about the effect this case is having on Dallas, as it brings a rage to the surface she can barely control. No matter what, she must keep her head clear-because above all, she is desperat who prey on and torment the innocent. Legendary storyteller Stephen King goes into the deepest well of his imagination in this spellbinding novel about a seventeen-year-old boy who inherits the keys to a parallel world where good and evil are at war, and the stakes could not be higher—because above all, so the deepest well of his imagination in this spellbinding novel about a seventeen-year-old boy who inherits the keys to a parallel world where good and evil are at war, and the stakes could not be higher—because the seventeen-year-old boy who inherits the keys to a bridge dark the war, and the stakes could not be higher—because the seventeen-year-old boy who inherits the keys to a bridge dark the war, and the stakes could not be higher—a higher than the stakes to be offer	Now Dorian is injured, need operation expects te for justice and to take arlie Reade looks like a ng master, Howard nows, and has kept secret ald make you happy?" breaking point. This is the authoritative account of an eighteen-month crisis in American democracy that will be seared into the country's political memory for decades to come. With stunning, in-the-room detail, New York Times reporters Jonathan Martin and Alexander Burns show how both our political parties con: including the coronavirus pandemic, the January 6 attack on the Capitol, and the political brinksmanship of President Biden's first year in the White House. From Donald Trump's assault on the 2020 election and his objects to unite the Democratic Party, this book exposes the degree to which the two-party system has been strained to the point of disintegration. More than at any time in recent history, the long-established traditions and institutions of American politics are under sign as set of to hold together a changing country. Martin and Burns break news on most every page, drawing on hundreds of interviews and never-before-seen documents and recordings from the highest levels of government. The book asks the vitally important (and disturbing) question: can American democracy, as we know it entration camps now. Why do Westerners claim our sins are unique?It is now in vogue to celebrate non-Western cultures and disparage Western ones. Some of this is a much-needed reckoning, but much of it fatally undermines the very things that created the greatest, most humane civilization in the world.In The Whows how many well-meaning people have been fooled by hypocritical and inconsistent anti-West rhetoric. After all, if we must discard the ideas of Kant, Hume, and Mill for their opinions on race, shouldn't the discard the ideas of Kant, Hume, and Mill for their opinions on race, shouldn't the world while East and Asia?It's not just dishonest scholars who benefit from this intellectual fraud but hostile nations and human rights abusers hoping to distract from their own ongoing villainy. Dictators who slaughter their own people are happy to jump on the "America is a racist elanguage of antiracism and "pro-justice	den's selection of Kamala of aging political leaders of, ever work again? BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Marie Claire In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of gly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political as both the provided of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as single of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Intellectual Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Leaden. A Promised Land is extrative—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and change," and meeting the moral challenges of his had about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beaut tures Bar	f the free world, describing grassroots activism to the lar insights into the Putin, overcomes seemingly aordinarily intimate and gh-stakes decision-making. ifully written and powerful ned linguist John ad books and listen to
m has become, not a progressive ideology, but a religion—and one that's illogical, unreachable, and unintentionally neoracist. In Woke Racism, McWhorter reveals the workings of this new religion, from the original sin of "white privilege" and the weaponization of cancel culture to ban heretics, to the evangelical few this religion that claims to "dismantle racist structures" is actually harming his fellow Black Americans by infantilizing Black students up for failure, and passing policies that dispring of the past. Fortunately for Black America, and for all of us, it's not too late to push back against woke racism. McWhorter shares scripts and encouragement with those trying of an Attorney GeneralINSTANT #1 NEW YORK TIMES BESTSELLER The former attorney general provides a candid account of his historic tenures serving two vastly different presidents, George H.W. in high-powered international business deals by foreign interests, unless he had something else of value to sell—which of course he did. He was the son of the vice president who would go on to become the leader of the free world. At last, bestselling author Dinesh D'Souza exposes the powerful evidence of voting fr st. Also, a major motion picture documentary. THE FIX WAS IN The 2020 presidential election was rife with fraud orchestrated by the Democratic Party. That's not just an accusation; it's now, thanks to bestselling author and investigative journalist Dinesh D'Souza, was nestablished fact. With eyewitness testimony a rick sophistication of the forensic technique of geotracking, D'Souza demonstrates how an already corrupt system put in place by Democratic Party hacks and "community organizers" was taken over and suspending of particular the intersection where election cheating and double-dealing hit the road. The mule is the crook who physically takes a sack of ballots provided by shady NGOs and political machines—the "community activist organizations" made famous by former President Obama, for instance—and, like some nefarious lots in collection boxes throughout a voting district. Do enough of this, and you have planted voter fraud across a nation. Documentary filmmaker extraordinaire and bestselling author of America, Death of a Nation, and United States of Socialism, Dinesh D'Souza exposes powerful evidence of the colossal voting rac't exist. Here you will find the receipts—the transcripts and confirmatory details—for the facts establishing 2020 election fraud presented in D'Souza's major motion picture documentary, 2,000 Mules. D'Souza makes a powerful argument that 2020 was a stolen election. More important, D'Souza proves it.
